Fundraising

If you're looking for a fundraising opportunity for your school or group, why not consider candles?

Candle fundraisers are becoming increasingly popular because so many people enjoy having them in their homes, which means they are easy to sell!

There's lots to love about candle fundraising, the least of which is that it doesn't cost anything to start one. That's right, there is no upfront cost to you like there is with many traditional fundraising methods.

Special Orders

If you are looking for a bulk amount of candles for your event or occasion, please contact me for a quote.

I can arrange personalised candle jars for occasions such as, but not limited to Birthdays, Engagement Parties, Weddings, Baby Showers & Funerals.
